## ABOUT MYARTS CONCERTS

Salon Piano Series is thrilled to bring the artistry of our 2024 house concert performers to MYArts (Madison Youth Arts Center) through a series of free concerts for youth audiences. This exciting collaboration aims to reach young musicians across the city, providing them with unique and inspiring musical experiences. Performances will last 50 minutes, and will be followed by a question and answer session with the artists. Through hosting these concerts at the Madison Youth Arts Center, Salon Piano Series is working to create an inclusive and accessible platform for the community, fostering a love for music and supporting the development of young talents.
